- 

## Recovery Toolkit

Based on decades of experience, input and field testing from providers, supervisors, and administrators, the Toolkit is an online product designed to help providers and organizations develop and strengthen their recovery-orientated practice. The Toolkit includes: A Self-Assessment Tool, an Online Course, as well as other Strategies & Resources. For more information, go

to: <http://cpr.bu.edu/develop/toolkit>

---

## Upcoming Conferences

Make your travel plans for 2020.

Check out our [Conference Board](#) for upcoming conferences in 2020.
