Employment - A force for recovery

Those who work with people who have mental health conditions should be aware of the **value** of employment for those in recovery:

- ✓ EMPLOYMENT adds **meaning** to one's life
- ✓ EMPLOYMENT improves the **quality** of life
- ✓ EMPLOYMENT enhances **recovery**
- ✓ CAREERS provide an even **deeper meaning** to life, enhanced self-esteem, and provide a better chance of improved finances

Click on the **BEST** answer

-  Employment helps recovery.
-  Employment provides meaning in life.
-  Employment improves quality of life.
-  All of the above.

Correct but there is a
better answer.
Keep trying!

CORRECT!

All the choices are good, but #4 is the best answer.
