The Center on Knowledge Translation for Employment Research (CeKTER) is a Knowledge Translation Center for NIDILRR grantees that promotes the appropriate use of research-based knowledge & products to improve services, approaches, practices & policies that improve employment outcomes for people with disabilities.

We are a partnership between Boston University, Sargent College of Rehabilitation Sciences, Center for Psychiatric Rehabilitation (BU-CPR) and the University of Massachusetts Medical School, Implementation Science & Practice Advances Research Center (UMASS-iSPARC). Our center is funded by a grant from the National Institute on Disability Independent Living and Rehabilitation Research (NIDILRR).

The first webinar sponsored by CeKTER is titled: "Using an Equity Framework

in Employment Practice Implementation" with Dr. Ana A. Baumann, a Research Assistant Professor in the Brown School at Washington University in St. Louis. The webinar will be on Thursday, July 15, 2021, 2:00-3:00 PM EDT via Zoom. A link will be sent after you register.
